

This august House is already aware that, IMA Pharmaco Vigilance Education Cell at IMA HQs. is running smoothly and carrying out activities related to Adverse Drug / Adverse Event Reporting. The Adverse Drug Reaction (ADR) / Adverse Event (AE) reporting form have been printed on postage pre paid Business Reply inland card and circulated to all the participants and State Secretaries for propagation among the members of IMA. The forms have been sent to all the above leaders and members both through post and through email with a request to them to send the same as soon as an adverse event is spotted by them.

You Can down load the **ADR REPORTING FORM** and fill it with details if any drug reaction incidents Occur in your branch purview and post it to the state or central IMA office.
